

# Save a Watt, Save the World

## Campus vs. Campus

# Energy Reduction Competition

### Guidelines for Energy Competition

1. Check out:

<http://facilities.rutgers.edu/about-ufcp/sustainability/energy-conservation-tips> to find out what you can do to save energy on your campus.

2. University Facilities will collect electrical energy readings for each campus from October 1-31, and compared to October the previous year.

3. The campus that reduces its energy usage by the greatest percentage wins the energy trophy!

4. Rankings will be posted after the trophy presentation.

**Trophy will be awarded  
at a home Football game.**
